EXPERIENCE

Corporate Communications Manager - Tech (Zalando SE)

BERLIN, GERMANY - MAR 2016 - PRESENT

- Help develop and coordinate a tech communications strategy and additional services to grow the corporate brand and showcase Zalando's technical prowess and initiatives.
- Contribute to strategic communication plans that drive broader visibility via various social media and blogging channels.
- Prepare PR communications materials including media kits, presentations, speeches, and other digital support materials.
- Assist in the development and coordination of crisis communications and management as needed.
- Manage external agency and media relationships.
- Review speaking opportunities for the tech department and manage Zalando's speaker calendar.
- Provide counsel to tech leadership regarding incoming media requests.
- Write and edit press releases, opinion pieces, and thought leadership texts on behalf of Zalando's tech management.
- Build and maintain relationships with media outlets and communications partners.
- Liaison with internal stakeholders as required, including tech hubs located throughout Europe (Finland, Dublin, Germany).
- Travel to various Zalando tech and warehouse locations as needed, interface and consult regularly with cross-functional teams across Zalando.
- Close monitoring, documenting, and reporting of press activity on a monthly basis, including analytical statistics and data.
